♣ The 2007 JR numbers are based on the operating plan the CDC submitted to Congress on March 15, 2007. In the JR passed by Congress in February of 2007, legislators rescinded \$29.8 million in unspent monovalent flu vaccine funding in FY06 and reallocated those funds to FY07. This reduction to 06 is not shown as CPH tracks only enacted funding levels.
